### 五、閱讀測驗

1. *Mo'Nique's Fat Chance* was a reality television show in the United States. It was a beauty competition for plus-sized women to participate in. The show was first aired in 2005, with Joanna Bogella as the winner of the 2005 contest and Tanisha Malone as the winner of the 2006 show.

The crew of the show met with women in plus-sized clothes from cities all over the United States and chose ten of these women to take part in the competition. Before the competition begins, these ten women took a special training course that taught them how to be attractive. After the training, the contest for the Miss F.A.T. title was held in front of a live audience and judges. The winner of this competition was crowned "Miss F.A.T.," which stands for "Fabulous (極好的) and Thick."

Although the television show *Mo'Nique's Fat Chance* had it last season in 2007, it has helped bring back overweight women's confidence. It has showed the world that women do not have to be thin to be able to compete in a beauty contest, and being fat doesn't necessarily mean being less attractive.
