第三部分: 段落填空

The fear of cats began in Europe about five hundred years ago. There was a huge population of stray cats in England, and they were fed by poor, ____ (1) ____ old ladies. Around that time, the fear of witches was very strong. Many of the homeless old women who fed cats were suspected of being witches, ____ (2) ____ people were suspicious of the cats, too.

Around 1560, a man and his son were walking after dark when a black cat darted across their path. They chased the cat and threw stones ____ (3) ____ it. The injured animal limped off into a house ____ (4) ____ belonged to a woman suspected of being a witch. The next day, the woman was seen limping along the street. She had bruises on her face and her arm was in bandages. This convinced people that black cats were actually witches in ____ (5) ____.
